Education

- **Bachelor of Engineering in Computer Science and Engineering** 2023 – 2027
Chandigarh University, Punjab CGPA: 9.06
- **Class XII (ISC Board) – 94%** 2022-2023
Carmel School, Chamba, Uttarakhand
- **Class X (CBSE Board) – 97%** 2020-2021
BML Munjal Green Meadows School, Haridwar, Uttarakhand

Personal Projects

- **YatraSathi – Chardham oriented Trip Planning app**
A full-stack mobile application for discovering Chaar dhaam destinations, booking hotels/restaurants, and exploring nearby places.
 - Developed a cross-platform mobile app using Flutter for smooth UI/UX and interactive maps.
 - Enabled features like nearby tourist spot display, hotel/restaurant booking, and gallery uploads.
 - **Technologies Used:** Flutter, Dart, Node.js/Express, MongoDB, REST APIs, Geoapify, Pixabay API, Cloudinary
- **DSA Visualizer – Data Structures Learning App**
A cross-platform Flutter app for students that provides interactive and animated visualizations of core data structures algos for learning
 - Implemented array operations (insert, delete, update, search, traverse) and linked list operations (insertion, deletion, traversal, reversal) with animations.
 - Planned future updates to include Trees, Stacks, Queues, Sorting algorithms, and Graphs for comprehensive learning.
 - **Technologies Used:** Flutter, Dart, Animations, Cross-platform Mobile

Research Experience

- **Research Author – Network Traffic Analysis** July 2025
ICITEEB-2025 – 2nd Int'l Conf. on Innovative Trends in Electrical, Electronic & Bio-Technology Engineering Onsite
 - Co-authored the paper titled "*An In-Depth Study of Network Traffic Analysis: Techniques, Tools, and Security Implications*".
 - Performed comparative analysis of traffic monitoring tools and summarized security techniques.
 - Participated in collaborative discussions, editing workflows, and final documentation.
- **Research Author and Presenter – Space Robotics** 2023 – 2024
12th International Conference on Intelligent Systems and Embedded Design (ISED) Online (Hosted by NIT Rourkela, Odisha)
 - Co-authored and presented the review paper titled "*Space Robotics: The Influence of Advanced Technology*".
 - Delivered an oral presentation to a virtual audience of domain experts from academia and industry.
 - Published in **IEEE Xplore**, highlighting the impact of emerging technologies on space robotics.

Technical Skills and Interests

Languages: C++, Java, Dart

Frameworks and Libraries : Flutter

Tools/Platforms: VScode, Netbeans, Git, Github, Overleaf

Databases: MongoDB

Relevant Coursework: Data Structures & Algorithms, Operating Systems, Object Oriented Programming, Database Management System

Soft Skills: Presentation, Problem Solving, Self-learning, Adaptability

Achievements

- **Academic Excellence Award:** Secured **1st Position** in First Year CSE batch with CGPA **9.28** 2025
– Awarded Certificate of Academic Excellence
- **Winner:** Internal Hackathon (SIH 2025) – Techathon 4.0 (Top 50 Teams) 2025
